AT MARA BUSHTOPS

  
**BUSHTOPS**  
SAFARI CAMPS

## Location

Without doubt one of the world's most spectacular game reserves Kenya's treasured National Park – the Masai Mara – provides a breathtaking backdrop to the ultimate safari experience.

Taking its name from the region's vast 'dotted plains', the landscape is a constantly moving tableau, teeming with an endless variety of wildlife. In this magnificent wilderness you can immerse yourself in myriad new sensations; waking to the call of lions and buffalo, thrilling at the closeness of wildebeest, zebras and gazelles, basking in the glow of a crackling camp fire at twilight, and dreaming under a dazzling nightcanopy of stars.

Nestled on the edge of this intoxicating scene, we've created an oasis of five star luxury

for serious safari seekers. Within our Mara Bushtops camp, you'll find an exciting blend of tranquillity and adventure where you can relax in first class comfort surrounded by one of nature's living masterpieces.

Bordering the Masai Mara, Mara Bushtops is set in its own private Conservancy with a natural salt-lick attracting a constant array of varied wildlife to the Camp itself

This sensational location creates an oasis of space and beauty where guests reconnect with what really matters: nature, spirit and time.

Mankind emerged from these lands hundreds of thousands of years ago. Coming to Mara Bushtops is coming home.

# Venue

Embracing a philosophy of environmental conservation, Mara Bushtops has been cleverly designed to make the most of natural resources as well as modern amenities. While the camp uses solar power for most of its energy needs, no expense has been spared on the fittings provided in the spacious and fabulously appointed luxury tents, open on three sides to the great outdoors and each with its own special view.

Why not lounge away a few hours on your own private wooden deck, where a telescope and Swarovski binoculars ensure abundant opportunity to view the magnificent game roaming the reserves below?

Or indulge in a languorous afternoon wallow in your own outdoor sunken tub – the perfect prelude to a relaxed Sundowner at twilight, delivered by one of our discreet butlers direct to your veranda.

# Experience

Ride in the tracks of the 'big five' on an unforgettable game drive into the heart of the Masai Mara. Travelling in one of our specially converted 4 x 4's, either on your own, in a private party, or with a group of other guests, you'll be in the very best seats for game viewing, while our highly qualified driver-guides will make sure you get some rare glimpses of wildlife that you'll never forget. You can set off at sunrise for a half- or full day's drive, or, because we're situated on our own vast private ranch, you can venture out after dark for a high-adrenalin nocturnal safari.
